Neighbor Ride Annual Report FY 2008

Our Mission

Neighbor Ride will decrease isolation and improve the quality of life for Howard County's older residents by providing a reasonably priced, reliable supplemental transportation service which utilizes community volunteers and resources.

Neighbor Ride
Volunteers Drive - Seniors Thrive®

PRESIDENT'S MESSAGE

Over the past year, Neighbor Ride has focused on two main areas critical to ensuring the future success of the organization while accomplishing our mission. First and foremost, we continue to build on our strong foundation of the past four years and ensure that daily operations remain effective. At the same time, we are identifying and implementing plans for a future of continued growth by reaching out to significantly more residents and building an infrastructure to accommodate that growing list of passengers.

The strength of Neighbor Ride comes from the dedicated group of staff and volunteers who ensure we meet our commitments to the community each and every day. In the last year, we have provided a total of nearly 6,000 trips for seniors in the community representing an eight percent increase over the prior year. This means Neighbor Ride has provided over 15,000 total trips for passengers since we began operation in November 2004. Whereas performance and growth are key measures, we are also extremely proud of the reputation we have achieved with our passengers. Excellent passenger service and volunteer recruitment and retention remain our highest priorities.

While keeping a keen eye on today, we also have a clear vision for the future. Over the past several months the board and staff have jointly analyzed the organization and developed a strategy to reach out to even more passengers in the coming years. We have also identified four vital areas of focus centered on growth and enhancing partnerships in the business community.

As always, Neighbor Ride is committed to a future of improving the quality of life for Howard County's older residents by enabling them to remain mobile, active and independent.

On behalf of everyone associated with Neighbor Ride, I am proud to present you with this Annual Report.

Bob Martin
President, Board of Directors
