

## Record Breaking Month

June 2016 was another huge month with 1512 trips. First we want to thank all of you who drove (190 volunteers total). You always amaze us with your generosity. In light of the high demands of the summer please let us know:

- Your vacation schedule so we don't fill your inbox up while you are away.
- If you want to be added or removed from our last resort list of drivers or you want to change your availability schedule.
- If you need promotional materials to give to your friends at the pool.

## Mileage Reimbursement Requests

June 30 marked the end of the 4th quarter. If you are requesting partial fuel reimbursement, send an email to [director@neighborride.org](mailto:director@neighborride.org) by July 31, 2016. Another option is to track mileage after each trip for a tax deduction next year at 14 cents/mile. Mileage is noted on the Trip Details within the google map directions for each leg of the trip. It's easier to record this on a monthly basis than to calculate mileage at the end of the year.

Thanks to all who participated on our June 14th Magnet Day. We had two potential volunteers report that they called us after seeing our car magnets. Our next Magnet is Saturday, July 16th!!

## Three Cheers for Apple Ford!!!

We are so grateful to Chip Doetsch and the whole Apple Ford organization. They have renewed their commitment to Neighbor Ride by agreeing to be our magnet sponsor again this year!

## Obituary

Neighbor Ride extends sincere sympathy to the family of passenger Therese Blackwell.

## Passengers' Comments

*Re: Accompanied Grocery Shopping Ride. "I didn't think a man could shop but my driver did a wonderful job. He was very patient and I am happy to say that I now have a full freezer and refrigerator."*

*"This was a most pleasant and positive experience. It certainly eased my way for spinal fusion recovery! Thank you!!!"*

*"Without you life would be much harder!"*

*"Helped me be able to go to my needed medical appointments in comfort at an affordable price."*

## Log Your Hours and Win Prizes:

It's time to give thanks, give back and get rewarded.

Cabot Creamery Co-Operative wants to reward folks for volunteering and taking action; and to inspire individuals and their respective communities to be at the center of social change.

Cabot's Reward Volunteers program is a free, web-based, simple way to track the hours you volunteer at Neighbor Ride and to earn rewards. The more hours you log, the more chances you'll have to win cash and prizes. You could win great prizes like New England gift baskets, Cabot cheese, dream vacations and more. Together we can inspire others to get involved, and make a world of difference in the lives of the seniors we serve. Visit <http://rewardvolunteers.coop> today!
