

What is The Coalition of Geriatric Services (COGS)?

COGS is a non-profit organization of public agencies, private companies and individuals who provide services to older adults. With members representing nearly 100 organizations in the Baltimore/DC area, COGS fosters communication, collaboration and education among geriatric service providers, as they work together towards their common goal of enhancing

ing quality of life for older adults. Over the past decade, COGS has been both an invaluable partner and generous supporter of Neighbor Ride and the seniors we serve. We hope you can join us for this year's very special COGS Fundraiser, which will once again benefit Neighbor Ride and the Vivian L. Reid Community Fund.

Passengers' Comments

We enjoy the rides. Everyone is so patient and respectful.

Driver of the year award should go to Kelly Donovan.

A lifesaver! Not a single unpleasant experience.

I am grateful for this service and the wonderful drivers.

Obituary

Neighbor Ride extends sincere sympathy to passenger, Mohini Mathur on the passing of her husband.

BEST OF HOWARD

The Best of Howard ballots are out. While we think that Neighbor Ride's volunteers are hands-down amazing; we would encourage folks to give huge standing ovations to Howard County Fire & Rescue, the Howard County Department of Recreation & Parks, the Community Action Council and the many other volunteer organizations whose response to the historic flooding in Ellicott City have been nothing short of heroic. Magnet Day is Sunday, August 14th. Get the word out about Neighbor Ride by displaying your magnet all day.

see any bulletin boards around town where we could recruit volunteers.
