

ANNUAL REPORT

FY2013

PRESIDENT'S MESSAGE

I'm pleased to report that we've had another great year! Like every non-profit, we survive on the generous gifts of time, energy, and resources provided by volunteers, but at Neighbor Ride, we THRIVE because of them! We are so fortunate to have the best group of volunteers anywhere, because they have made it possible for us to steadily increase our capacity to serve Howard County's seniors at a time when demand for our services has been growing just as steadily, and sometimes even a little more rapidly.

Our community knows how wonderful our volunteers are, too. I'm happy to report that we were once again selected Best of Howard Charity/Non-Profit by the readers of Howard Magazine! Neighbor Ride was further honored in FY2013 to receive both the Community Foundation of Howard County's Casey & Pebble Willis Making a Difference Award and the Coalition of Geriatric Services (COGS) Partnership Award. COGS also again selected Neighbor Ride as a beneficiary of its annual fundraiser. We are so fortunate to have this ongoing partnership in service to Howard County's seniors.

In FY13 alone, we provided an astounding 15,242 trips for seniors in the community. Since beginning operations in November 2004, our volunteers have provided over 70,000 trips for passengers. An average of 14 new passengers registered each month in FY13 and a total of 71 new volunteers were recruited.

We've continued our business partnership with 1st Mariner Bank, which has enabled us to replenish our car door magnets – an essential tool in helping our seniors know that the driver serving them is a Neighbor Ride authorized driver; as well as our partnerships with The Arc Howard County, The Airport Shuttle and Winter Growth to supplement our transportation service. This year, we established a new partnership with The Mall in Columbia, which offers us the opportunity to educate the community about our service, and to recruit volunteers – a critical need for Neighbor Ride. Our other critical need is, of course, funding, and we are very fortunate to have a phenomenal group of grantors, sponsors and donors, many of whom have supported us from the beginning.

Looking forward, our attention will continue to be on keeping up with demand for our services. We are so fortunate to live in a county that has so much to offer and we want to be sure that local seniors continue to have access to the services and opportunities that add meaning and quality to their lives. We're especially grateful to members of the Ascend One EDGE Fund for their continued support in helping active seniors continue to volunteer in the county, and to our many volunteers who help make sure that seniors can get where they need to go, safely, on time, and at a reasonable cost.

As we have from the start, Neighbor Ride is committed to a future of improving the quality of life for Howard County's older residents by enabling them to remain mobile, active and independent.

On behalf of the Board of Directors, the incredible staff, our wonderful volunteer drivers and ride coordinators, and everyone connected to Neighbor Ride, I am proud to be associated with such a fine organization, and pleased to present you with this Annual Report.

Laurie Reuben
President, Board of Directors
