Volunteers Drive - Seniors Thrive[®]

FY2016 ANNUAL REPORT

BUILDING CONNECTIONS

PRESIDENT'S MESSAGE

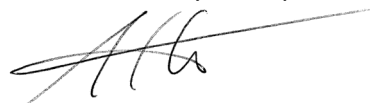

I'm excited to report that the fiscal year ending June 30, 2016 was another great year for Neighbor Ride! The combined efforts of our outstanding volunteers, hard-working staff, and the generous support of the community made it possible for Neighbor Ride to continue to serve the transportation needs of Howard County's older adult population. I personally would like to thank our outstanding team and incredible network of supporters. We are so fortunate for all of you and all that you do!

Videos created this year tell the story of Neighbor Ride - highlighting the impact our service has on the lives of volunteers, seniors, families, and the community as a whole. I encourage you to view and share the videos, available on our website at www.neighborride.org. The numbers further illustrate the difference Neighbor Ride is making in Howard County. In FY2016 alone, 328 volunteers dedicated over 21,000 hours of their time to provide 16,455 trips to over 1,000 destinations - helping passengers tend to their healthcare needs, shop, participate in faith services, enjoy social outings, and be a part of all the other activities that add quality and meaning to their lives. Since Neighbor Ride was launched in 2004, a total of nearly 120,000 trips have been provided.

For the 10th consecutive year, the Coalition of Geriatric Services generously designated Neighbor Ride as a beneficiary of its annual fundraiser. Neighbor Ride also continued its partnership with Apple Ford Lincoln. No doubt by this time you have seen their logo on our volunteers' car door magnets as they travel throughout the county. Neighbor Ride further benefited from significant financial contributions from ez Storage, Howard County General Hospital, Right at Home, Parkview Senior Living, SunTrust Foundation, the Rotary Club of Columbia-Patuxent, and the Unitarian Universalist Congregation of Columbia. Finally, we all had a fantastic time supporting Neighbor Ride's 2nd Annual Basket BINGO Fundraiser. If you're looking for a great time and amazing prizes, you'll want to be sure to mark your calendars for May 6th, 2017 and plan to come out for our next BINGO event!

Looking forward, Neighbor Ride is embarking on a significant investment in technology to upgrade the organization's Ride Match Database. The original database has served Neighbor Ride well over the years, but now over 10 years old, has not kept up with the pace of growth the organization has experienced and expects to continue into the future. Enhancements to the new database will deliver improved access, communication, and efficiencies for volunteers, passengers, and staff; and will add several new features that will widely expand scheduling and trip capacity, make our service easier to use for passengers and easier to provide for volunteers, and increase our ability to connect Neighbor Ride's services with other organizations serving the county's older adult population. In addition to Neighbor Ride's own investment from reserves, this project is being made possible through generous grant funding received from Howard County's Community Service Partnership (CSP), The Kahlert Foundation, and The Stulman Foundation. We are truly excited to see this project come to fruition in the coming year and look forward to sharing more with you as it unfolds.

On behalf of the Board of Directors, staff, volunteers, and all those who consider themselves part of the Neighbor Ride family, I am pleased to present you with this Annual Report.

Andy Carmer

President, Board of Directors

"This service has been a literal life saver for us, especially for my mother and father. My mother, who is 88, has been deeply grieving not being able to live with my father because he requires 24-hour skilled nursing care...Between your service and family, we can get her there more than just once a week. It's not just the rides that prompted us to write. It is the kindness and warmth of the drivers that provide such lovely, pleasurable moments for my mom. You really cheer her up!"
